Spring Is Here

How About That Express Wagon For The Children

Nothing more beneficial for the health of the boys and girls than out of door exercise. The principal thing is to get something that will amuse them and stand the usage children are apt to do.

We have a strong line and (strong quality) of Express Wagons this year and prices are guaranteed to be as low as elsewhere.

Ranging in price from 50c to \$3.75.

See the line of White Wagons at \$3.50 to \$6.50.

We have always endeavored to give the public the best for the money that could be obtained, and shall try to continue to do so, as in the past. We shall not give you second quality goods to meet competition, but instead, the best that can be secured.

All we ask is comparison of our Wagons with others.

BEWARE

The time is at hand when the farm machinery "agent" drives into your yard, follows you to the barn, backs you into a stall or some convenient corner and hypnotizes you with his tales of "Near" Manure Spreaders, or "Almost" Plows and Harrows.

There is but one way to protect yourself. Gaze calmly into his fishy eye and say, "My dear young unconverted friend, before I buy any farm machinery this year, I AM GOING TO GO AND SEE ALLEN.

Stick to it and you are saved.
